

## ITEMS NEEDED

Paper  
Scissors  
Stapler  
String

## INSTRUCTIONS

1. Cut along horizontal dotted line to separate directions from lantern.
2. Fold lantern paper in half along vertical dotted line with the ShopRite logo facing out.
3. Cut on the dotted lines along the folded edge of the paper.
4. Form lantern into a cylinder by connecting both top ends of paper together.
5. Staple both top ends together.
6. Cut 2 small holes at the top of the lantern and run string through to create handle.
